**The work you'll do is more than just a job.**

At the State of Minnesota, employees play a critical role in developing policies, providing essential services, and working to improve the well-being and quality of life for all Minnesotans. The State of Minnesota is committed to equity and inclusion, and invests in employees by providing benefits, support resources, and training and development opportunities.

**Job Summary**

MnCIFA is hiring! MnCIFA is a mission-driven clean energy financing authority focused on impact investing with the paramount goal to reduce greenhouse gas emissions. We are a new State Agency with the vibe of an entrepreneurial start-up.

We offer a hybrid work environment with three (3) days per week in the office and two (2) days of telework. Telework can be outside of the state of Minnesota if the candidate lives in a state bordering Minnesota and lives 50 miles or less from the primary work location. Primary work location will be the Golden Rule Building in downtown St. Paul.

As Investment Officer, you will manage all aspects of transactions, including soliciting, reviewing, and processing proposed financing requests, facilitating project awards and bringing those requests to close. You will also conduct outreach to and building partnerships with diverse stakeholders and conduct research on emerging market opportunities. Responsibilities include:

- Project Implementation: Solicit, review and process proposed project financing requests.

- Loan Closing: Facilitate project awards and loan closings.
- Conduct Research: Research emerging markets, technologies, counter parties and market opportunities.
- Business Development: Conduct outreach to and build partnerships with diverse stakeholders, including community groups, business associations, contractors or vendors, and project developers.

### **Minimum Qualifications**

Three (3) years of experience performing analysis, exercising judgment, and relying on knowledge as a loan officer, loan originator, or in loan portfolio management, finance, or a closely related field.

A Bachelor's degree in Business Administration, Accounting, Economics, Finance, Public Administration, or related field is equivalent to one (1) year of experience.

An Advanced degree Business Administration, Accounting, Economics, Finance, Public Administration, or related field is equivalent to eighteen (18) months of experience.

Applicants who meet the above education/experience requirements will be further evaluated based on the following:

- Experience in originating or executing transactions in project, infrastructure, and/or structured finance.
- Experience in conducting outreach and building partnerships with diverse stakeholders, including community groups, business associations, contractors, or vendors, and project developers.
- Experience with collaborative software solutions. (e.g. CRM, Loan Processing or Financial Software).
- Experience in financial modeling.

### **Preferred Qualifications**

- Advanced degree in Business Administration, Accounting, Economics, Finance, or related field.
- Commercial or community bank lending experience.
- Understanding of Federal and State tax credits and other incentives for clean energy investment.
- Familiarity or experience with clean energy project finance or other financing related structuring and documentation.
- Experience or demonstrated interest in environmental sustainability, environmental justice, climate action, and/or economic development.

### **Physical Requirements**

Requires occasional moving of articles such as boxes, accounting records, laptop computer, and portable printer.

## **Additional Requirements**

Job offer is contingent upon passing reference checks to verify job-related credentials, a criminal background check and drivers' license check prior to your appointment.
